Outline of Sports Premium spending in 2017-2018

Aims	Cost	Objective	Impact
To raise overall participation in sport at CVPS	Cost - free	To improve pupils' physical activity levels at break and lunchtimes and to implement Sports Playground leaders at break and lunchtimes.	A staff rota has been implemented to encourage games and sports at playtimes and lunchtimes. The playground leaders support this initiative and take ownership for specific tasks each day. Some of the organised games and sports include hula hooping, skipping, football and tennis. The hula hooping festival, the tennis taster session and skipping festival, which were offered by the Cramlington Partnership have support CPD needs in staff.
	Sports equipment Cost - £465	To ensure sports equipment is available and accessible	CVPS have invested in a Tri Golf class set, Tag Rugby belts, bibs, CVPS hoodies and balls (Rugby, football, hockey). This equipment is used by all year groups and accessible to all, for PE lessons as well as for breaks and lunchtimes.
	Newcastle Eagles Basketball club - Autumn term - £150	To offer a wide selection of club provision	Y5 and Y6 participated in the Basketball club. Since the club they were keen to play the sport at break time and lunchtime and teach the younger children in school.
	Tri Golf Spring 1 - £150		This academic year KS1 have had the opportunity of a Multi skills club. KS2 have had the opportunity of Basketball, Boys Football, Girls Football, Tag Rugby, Tri Golf, Multi skills and Cricket club. There has been good interest in the clubs this year and has given KS2 children an extra opportunity. Clubs have reached their maximum capacity numbers in most clubs. Football and Tag Rugby have been a favourite.
	Boy's Football Spring 2 - £120		
	Girl's Football - Spring 2 - funded by SSP		
	Tennis Spring 1 - Funded by SSP		
	Multiskills Summer 1 - £300		
Cricket Summer 2 - £360			
	Total - £1,080		
Develop knowledge and understanding of all teaching staff and non	CPD training across the year Cost - included in	To participate in CPD training for gymnastics and game activities.	Gillian Smith support the Year 2 and 3 teacher to deliver 6 weeks of Gymnastics. Gill planned and delivered the sessions, involving the teacher in a team teach style approach. This supported the teachers to gain confidence and 'have a go', so Gill could give immediate feedback. This CPD opportunity strengthened the teachers knowledge of progress between lessons and the teacher observed some rapid

The Year 3 teacher used her experience to share resources and advice with the Year 4 teacher. Tag Rugby, Football, Yoga and Basketball have been delivered in curriculum time. These opportunities have supported teaching staff to understand the progression of skills in the lessons, take ideas for activities and boost general knowledge. The yoga sessions " have been worthwhile for CPD needs too, it has given the EYFS teachers confidence and ideas for lesson planning and delivery".
Establish links with external sporting providers including the local sports partnership in order to enhance the current provision at CVPS	Cramlington Partnership Cost - £8,815	To keep in contact with Gillian Marsden to coordinate competitions and curriculum opportunities. To liaise with CVPS staff and coordinate sporting opportunities To celebrate and acknowledge the successes from the School games. Apply to join the partnership for 2018-2019	Regular contact between Gillian Marsden and Nicole Weatheritt has enabled CVPS to participate in many sporting opportunities this year. CVPS has offered a broader programme to all of the children, as well as extending the extra curricular learning opportunities for KS2. This year staff have been more involved in PE teaching and coordinating events. Teachers have been more aware of PE assessment when choosing children for the competitions. Achievements and participation in events are recognised in Celebration assembly on a Friday, in front of the school. Children who attend outside clubs are also encouraged to bring in their awards to show and demonstrate their skills.
To improve outdoor learning facilities	Yurt - Cost £7,385	To create a stimulating outdoor learning environment To use the Yurt for a mixture of cross curricular subjects	At CVPS outdoor learning is important allowing children to learn new skills and build fitness and resilience in an outdoor environment. We receive support from specialised forest school instructors to enhance the children's learning and knowledge. A review took place of the outdoor learning programme offered by the school. New schemes of work have incorporated pupil voice into the programme and allowed staff to plan together so that pupils are following more project based learning. Pupil engagement levels have been much better. Pupils now take an active part in contributing ideas, which has led to stronger engagement from them during the sessions. Additionally we provide a healthy lifestyle programme which creates a greater awareness of issues such as the need for exercise, health living, tackling obesity and healthy eating. The Yurt has given the children a sheltered outside place to learn in and participate in lessons such as Music, Yoga, Forest school and clubs.
