Policy Aims

CVPS is committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be well equipped to know that incidents will be dealt with promptly and effectively.

This policy helps achieve what CVPS believes to be important. (This policy should be applied together with the Promoting Positive Behaviour Policy.)

CVPS aims to produce a safe and secure environment where all can learn without anxiety by;

- achieving a whole school approach to deal with bullying
- raising awareness of bullying as a form of unacceptable behaviour with school management, teachers, pupils, parents/carers
- enabling pupils to articulate their fears and concerns and be confident that they will receive a sympathetic and supportive response from teachers and other adults within the school community
- creating a school ethos which encourages pupils to disclose and discuss incidents of bullying behaviour
- applying strategies which are preventative in orientation, intended to minimise the likelihood of incidents of bullying behaviour taking place
- implementing a programme of support for those who are victims of bullying behaviour and for those involved in bullying behaviour
- using procedures for recording and reporting incidents of bullying behaviour
- using procedures for investigating and dealing with incidents of bullying behaviour
- promoting and praising caring behaviour in and around school

Definition of bullying

Bullying is behaviour which deliberately makes another person feel uncomfortable, distressed or threatened.

Bullying is repeated over time.

Bullying makes those being bullied feel powerless to defend themselves.

Types of bullying include the following:

Emotional - being unfriendly, excluding, tormenting (eg: hiding books, threatening gestures)

Physical- pushing, kicking, hitting, punching or any use of violence

Racist - racial taunts, graffiti, gestures

Verbal - name calling, sarcasm, spreading rumours, teasing

Cyber - all areas of internet, such as email & internet chat room misuse. Mobile threats by text messaging and calls. Misuse of associated technology, i.e.: camera and video facilities.

Why are CVPS against bullying?

'Every Child Matters'because:

- everyone has the right to feel welcome, secure and happy
- everyone should be treated with consideration
- if bullying happens it will be dealt with quickly and effectively
- it is important to tell someone

Bullying of any kind is unacceptable at CVPS.

Signs and symptoms of bullying

Everyone should be aware of possible signs and behaviours of being bullied and should investigate if the person;

- is frightened of walking to or from school or changes route

What causes Bullying?

People bully for different reasons. These reasons could be:

- to feel powerful
- jealousy
- to feel good about themselves
- to be in control
- because they want something (attention, possession or friends)
- to look good in front of other people
- to feel popular
- because of peer pressure
- to be big/clever
- for fun
- because they are being bullied themselves
- because they see and pick on an easy target (small, won't tell anyone, lonely or different in some way)

How can bullying be prevented?

CVPS fosters a clear understanding that bullying, in any form, is not acceptable. This is shared by;

- developing an effective anti-bullying policy and practice. Ensuring that the school is a safe and happy environment, promoting positive attitudes, behaviour, and relationships and with high levels of self-esteem and achievement.
- regular praise of positive and supportive behaviour by all staff.
- work in school which develops empathy and emotional intelligence (SEAL).
- treating and dealing with any incidents seriously and immediately.

Why is it important to respond to bullying?

- Everybody has the right to be treated with respect.
- Everybody has the right to feel happy and safe.
- No-one deserves to be a victim of bullying.
- Bullies need to learn different ways of behaving.
- **Bullying Hurts!**

CVPS will respond promptly and effectively to reported incidents of bullying

Responses to Bullying

CVPS will use our “Bother and Best” strategy with children to support their understanding of empathy, negotiation and conflict resolution.

Strategies for dealing with incidents:

- **Classroom Teachers:**where a classroom teacher becomes aware of bullying behaviour he/she will deal with it according to the procedures set out below. Inform the principal and make a note of it on CPOMs.
- **Classroom Assistants:**if they become aware of bullying behaviour they will inform the class teacher, who will deal with it according to the procedures set out below, inform the principal and make a note of it on CPOMs.
- **Other Adult Staff:**if they become aware of bullying behaviour should inform the class teacher or principal as they feel appropriate and enter onto CPOMs.
- **Parents:**Where bullying behaviour is reported by a parent/carer, the matter will be investigated promptly and thoroughly with a response made within seven working days. Where the complaint is made in writing the response will also be in writing following complaints and concerns procedures. All information to be logged onto CPOMs.

Process for dealing with incidents:

- Apparent/alleged bullying incidents will be reported to staff and the principal
- In cases of serious bullying, the incidents will be recorded in an Anti-Bullying Log on CPOMs with information logged which is outlined Appendix 1.
- In serious cases, parents should be informed and will be asked to come in to a meeting to discuss the problem
- All bullying behaviour will be dealt with in accordance with the Behaviour Policy
- Where identified, the person being bullied and the person exhibiting bullying behaviour will be provided with support and where necessary, outside agencies will be involved.

Outcomes of an incident:

- The bully (bullies) will be confronted
- The bully will be sent to the principal
- The bully will be asked to explain their behaviour
- The bully (bullies) may be asked to genuinely apologise.
- If possible, the pupils will be reconciled, ideally using our Bother and Best strategy
- Supportive work will be given to individuals (bullies and victims) involved, to help them understand the consequences of their actions, how to deal with their emotions and clarify expectations. This will be arranged in the first instance with the Inclusion Mentor. If unsuccessful, children may be referred to outside agencies
- The parents will be asked to meet with the principal to discuss the course of action
- In serious or repeated cases, suspension or exclusion will result. Additional consequences deemed appropriate may take place.
- After the incident/incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place

Prevention

In order to prevent incidents of bullying, we will:

- Compile and apply appropriate classroom rules
- Promote the importance of kindness
- Discuss issues at School Council meetings
- Use PSHCE to teach positive behaviour
- Provide anonymous 'bother/worry' boxes in classrooms.

Monitoring

The Principal will monitor and review the policy to ensure that incidents and systems to reduce bullying are effective. The policy will be reviewed alongside the Behaviour Policy. An annual incident return will be sent to the Governors and reported to the governing body on a termly basis.

Incidents of bullying will be logged and the children will be provided with questionnaires in order to monitor incidents, perceptions and suggestions for possible improvements.
